Congratulations to the Class of 1965

You have completed one of the greatest experiences which America offers—public education from high school.

Diplomas in hand you are now ready to step out into adult life equipped with the basic requirements for a successful life. Build upon the foundation established at school, keeping always in mind that anything worth having does not come easy. High ambitions and hard work will assure you success.

SECRETARY

Congratulations to the members of the class of 1965. Each of you has successfully completed at least the minimum requirements for graduation and many of your school experiences are permanently recorded in this fine yearbook.

Many students of the class of 1965 have made a consistently fine effort here at Waynedale. You are to be commended for a job well done. On the other hand, others have done only as little as absolutely necessary. The hope is that all of you will understand the importance of doing as well as possible in whatever job you undertake in the future, and will realize that learning is an ever widening process.

RGANIZATIONS

STUDENT COUNCIL

Officers: Chuck Chenevey, President; Fred Long, Vice President; Jane Hackett, Secretary; Steve Emerson, Treasurer.

The members of the Student Council form the most important and influential organization in school. It fills the missing link between faculty and student relations. Some activities which the Student Council heads are the annual Spring Dance, the Homecoming ceremonies, the Youth-in-Government elections, and numerous dances and social events throughout the school year. It has also initiated the Scholarship Letter program. The Student Council is a ready and willing helper to both the faculty and student body.

NATIONAL HONOR SOCIETY

Officers: Fred Long, President; Nancy Franks, Vice President.

To gain admission to the National Honor Society is the ambition of most high school students. One is chosen for this honor from the qualifications of character, scholarship, leadership, and service. The organization's only activity is the tea for the new members and their parents which is held afterward.

COMEDY

The National Thespian Society is devoted to the advancement of Dramatic Arts in the secondary schools. Waynedale's Troupe meets throughout the year and works with the Drama Club to encourage students to take part in dramatic events and also to encourage Drama Club members to work towards Thespian membership.

In order to be considered for membership to this club a student must earn a total of at least ten points. These points are earned by participating in play production or individual speech events, such as declamations, poetry reading and debate.

Officers: Jeannie Shultzman, President; Charlotte Meier, Vice-President; Becky Evans, Secretary; Francie Howard, Treasurer; Julie Knoble, Scribe

THE THREE R'S

Officers: President, Nancy Franks; Vice-President, Jeannie Shultzman; Secretary, Barbara Condry; Treasurer, Carolyn Snively; Historian, Charlotte Meier.

The purpose of the F.T.A. Club is to explore the field of teaching as a career. The club at Waynedale is very fortunate in being able to obtain practical experience frequently by conducting classes both at Waynedale and the surrounding elementary schools when qualified substitutes are not available.

The club holds regular monthly meetings during the day, at which time business meetings are held, and various phases of teaching are discussed. There are also three night meetings a year, including the initiation of new members, a Christmas party or dinner, and attendance at a college play or program. Once a year the F.T.A. gives an afternoon tea for the teachers.

NEEDLES AND PINS

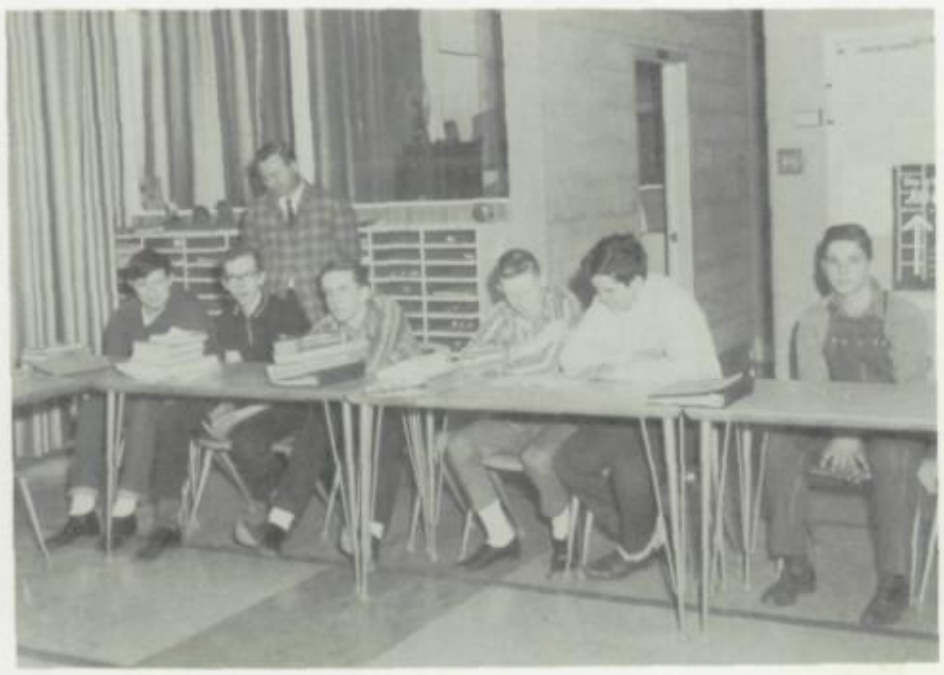
President, Sheila Hofacre; Vice President, Connie Cutter;
Recording Secretary, Susie Knapp; Corresponding Secretary, Janice Kiser,
Treasurer, Violet Falb; Parliamentarian, Judi Wilson
Historian, Marlene McCloy; Social Chairman, Linda Parker.

The F.H.A. is an organization open to anyone who has taken home economics. In this organization we try to develop the character of the girl, and encourage her to bring out her abilities through activities.

Girls can obtain recognition by working for Junior, Chapter and State Degrees. These degrees are awarded to girls showing interest in activities and development in leadership.

REAP THE HARVEST

Jim Orr, President; Lloyd James, Vice-President; Zola Keister, Secretary; Bob Canode, Treasurer; Paul Marthey, Reporter; Paul Woodruff, Sentinal.



During the year the F.F.A. has many activities. In January the chapter co-sponsored the New Years Eve Dance with the F.H.A. They also had a light bulb selling campaign. The biggest event of the year is the Parent and Son Banquet. Other activities during the year are the pest hunt, the oats project, the summer picnic, the summer camp, and the State and National Conventions. Along with these activities the chapter has entries in many contests, from judging cattle to public speaking. The F.F.A. Chapter is very busy throughout the year.

GIRLS IN WHITE

Officers: President, Joanna Bechtel; Vice President, Mary Lou Malcuit; Secretary, Sandy Yates; Treasurer, Susan Neiss; Reporter, Kathy Amiet; Historian, Julie Knoble.

The purpose of this club is to interest the students in the welfare and health of their community and to encourage them to discover all the personal satisfaction which nursing holds in store.

BRITISH BALL

During the monthly meeting we have a variety of programs. Informative films, speakers, discussions, and tours.

Each year they carry out one community project. We also supply Candy Stripers to the Wooster Community Hospital.

The membership consists of any high school student who is truly interested in nursing.

BIRDS, BEES, AND BUGS

Officers: Charlotte Meier, President; Dallas Miller, Vice President; Nancy Franks, Secretary; Jane Hackett, Treasurer.

The Biology Club is the largest organization at Waynedale. It is also one of the most active, sponsoring a student of the month, a Science Fair, a spring and a fall field trip, an annual Christmas card sale, and a series of Audubon screen tours. The money from the projects is used to promote scientific interest in the school and to purchase worthwhile objects for the school, such as our "human torso."

SPORTS FOR SHORTS

Officers: Violet Falb, President; Kathy Amiet, Vice President; Carolyn Snively, Secretary; and Pat Korns, Treasurer.

The Girls' Athletic Association is made up of girls, not tomboys, who like sports. Activ ties include soccer, basketball, shuffleboard, bowling, ping-pong, badminton, softball, types of dancin and track. Most sports were intramurals but Play Days were scheduled with other schools participa ing with the club in various major sports. The main thing of the year, the Army-Navy game, whic consisted of both varsity and reserve teams, was also included in the busy schedule. Points wer given to the members for their participation in sports and the girls are rewarded starting with em blems; then, letters; next, pins; and best of all, trophies, usually received by very sports-minde seniors.

NAVY

ARMY

GO - FITE - WIN

Officers: President, Janice Kiser; Vice President, Vickie Butzer; Secretary-Treasurer, Diane Slutz.

The Pep Club is an organization made up of students who wish to support athletic programs and thereby increasing spirit throughout the student body. This organization, from sponsoring dances after a few of the athletic activities to making posters to spark school spirit before an approaching game, depends solely on the students for its function. It is therefore the duty of the Pep Club to support our teams, whether they win or lose, with great loyalty and enthusiasm.

LIBRARIANS

The business of providing library service and preserving library materials is an important one and help is given by these student librarians. Their duties include a wide variety of tasks such as circulating books and magazines, shelving books, and checking fines. Assistant librarians give one period a day to this work which constitutes a real service to the school and is appreciated by faculty and student body alike.
